

TEXAS
CHURCH OF GOD OF PROPHECY

2023 State Convention
Southwestern Assemblies of God University

As Jesus Christ started his ministry, He had one single sermon in his preaching notebook, the Kingdom of God! His message was not simply a reflection of His divine strategy to redeem a fallen world; his kingdom message reflected what was at the center of his heart. It was his vision for our broken communities. All of his parables were about the Kingdom, and in every conversation with his disciples, He poured into them Kingdom truths. While the gospel of Mathew, Mark, Luke, and John make Christ the undisputed theme of their message. The gospel according to Christ, was all about the Kingdom of God. In Luke 4:42-43, Jesus said, "I must preach the kingdom of God to the other cities also, because for this purpose I have been sent."

As Jesus established and commissioned His church to go to the ends of the world, it was his desire that our hearts would beat in the same rhythm as His heart, that we would be moved by what moves His heart, and that we would rejoice in what brings Him joy. As His church, we will love the least of these because He loved the least of these. We will open our arms to those rejected by society because He loved them. His church is only a true kingdom outpost when it reflects His heart! This simple yet profound realization must completely revolutionize how we do church, how we preach, how we worship, how we live, and how we love. This is the heart and scriptural foundation for our Convention theme - **IGNITING KINGDOM HEARTS.**

Our prayer is that the Holy Spirit will ignite, awaken, and rekindle hearts that reflect the heart of Christ, passionate about establishing His perfect government on earth. We are praying for a move of the Holy Spirit that will connect our hearts to the heart of Christ and provoke us to run boldly and fearlessly to reconcile the world to God.

How wonderful when God's people gather to offer prayer and praise to our loving Savior! Conventions in the Church of God of Prophecy hold a rich tradition of joyous fellowship, powerful preaching, anointed worship, and times of great intercessory prayer. I anticipate this convention will be like no other. We stand on the threshold of God's greatest gifts.

Convention offers a wonderful opportunity to reconnect with old friends and build new relationships. Reach out to someone and become a prayer partner. Mentor a new Christian you've just met. Take someone out for a meal. Seek prayerful counsel of a senior saint. We need each other and this gathering is a perfect place to build relational connections!

Finally, thank you for joining in prayer for the Multiply 2030 church planting and church revitalization initiative of North America. We are seeking to plant 500 new congregations throughout North America by 2030, through the power of the Holy Spirit. This initiative also offers a prayer strategy for greater spiritual renewal within our existing congregations. We pray to reach 2000 healthy Church of God of Prophecy congregations in North America by 2030, each one impacting their communities with the love of Jesus. Your prayers and participation make the difference in realizing the completion of these goals.

Renee and I celebrate with you in this joyous convention. We pray for God's peace and power to surround you as you worship in his presence. We love you and we are praying for you!
